of the Mysore District

To

L. Anantasami Rao Esq BA
Deputy Secretary to the

Mauzai Department.

Sir,

I have the honor to bring to your notice that there is only one cook for the Yelwal Chattram while there is a cook and also a waterman for the Chattram at Varuna. Both these Chattrams are of equal importance and the Employment of these two servants is a matter of necessity. In Yelwal at present the Parpattegar is paid two rupees extra for doing the waterman's duty.

This is scarcely proper. The interpo-
-sition of a Chairman ... of
Musical Service could be checked if
there were Control it be enforced con-
-sistently with the respect due to Inspi-
-ration. Hence they find a response to
the Invocation of the Responsibilities in se-
-rake Utterances may be kept the Same
-tained for Returns the Extra - Services
Must from the Sense of mutually spiritual
the Chattaway.

For very peculiar Instances are to exist

Please the Power of the
Spirit.

An Establishment of

-tion of the Hon Dy

that a Sweeper
was necessary and
that

the Cook's and the Pari-

be merged in one and
the same person, a
modified order was
accordingly issued
raising the Cook's pay
from Rs 5 to Rs 6, in
consideration of his
doing watermen's work
also. The Sarpanch-ger's
pay was also raised to
Rs 7 from Rs 5 as he was
required to help the Cook
at times. If, as now
proposed by the Dy Comm^r,
the appointment of a
separate waterman is
considered
necessary, then ~~there~~
either there

Correspondence ending with letter No 2224 dy 23rd Feb. 1904 from the Dy Commr, Mysore District regarding the entertainment of a waterman on Rs 4 per mensem in the Anna Chatram at Yelwal Mysore Taluk.

Order thereon. –

In this Office Rubkam No 2604 dy 18th August 1897 the establishment of the Lakshmana theertha Katte-Chatram at Yelwal was revised and a monthly sum of Rs 15 was fixed as per margin, the balance of the Zaedik allotment

Submitted to the Dewan for appl.

It is doubtful whether this arrangement which involves the reduction of the Parpatteyar's pay from Rs. 7 to Rs. 5, will work satisfactorily

The change may perhaps be tried ~~and~~ as it has been recommended by the Dy Comr, and a report called for at the end of six months.
